### Community Partners:

We encourage members of the public who are wishing to explore this fascinating part of Caymanian History in greater depth to visit one of our partner organizations:

**Visit CINA**, the “keeper of the nation’s memory”, to view first hand accounts of life at sea via their Oral History Programme transcripts, along with other materials. Appointments are recommended to guarantee that space is available. The Reading Room is open Monday to Friday from 9:00am - 4:30pm.

**Visit the Seafarer’s Association Headquarters** view extensive photographic displays and objects relating to our maritime heritage. Open daily at #11 Victory Avenue, Prospect, from 9-1pm.

**Visit the National Museum’s Cultural Heritage Gallery** to learn more about our maritime history and its economic and social effects on our community. The gallery features numerous objects and correspondence as well as a talking mannequin sharing his stories from life at sea. Additionally, the collection comprises archaeologically recovered items both terrestrial and nautical.

**Take the Cayman Islands Maritime Heritage Trail.** The Trail is a land-based driving tour around the three Cayman Islands, with 36 stops marked by signs at historically significant maritime sites aimed at promoting the Islands’ maritime legacy, in a combined heritage, education and recreational tourism initiative. The Trail is a partnership of the Museum, Department of the Environment (DoE), National Archive and National Trust.

**Learn more about the Cayman Catboat Club** and their sailing schedule at [www.caymanmaritimeheritage.org](http://www.caymanmaritimeheritage.org).
