Most artwork can fit in one of three categories:

1. **figurative** – art that shows things that resemble real life
2. **semi-abstract** – artwork where the subject is recognizable, but the artist’s style makes it less like the real world and
3. **abstract** – art that does not represent people or things in a way that has a likeness to the real world.

**The Native Sons**

The Native Sons, as a group, aim to inspire, promote and encourage Caymanian artists and their art.

Despite a shared culture and shared experiences, the Native Sons each have their own styles of artwork and choice of subject matter.

There are seven Native Sons that are a part of this exhibition. Can you **NAME** them?
