**ACCESSING NGCI**

NATIONAL GALLERY OF THE CAYMAN ISLANDS

The National Gallery of the Cayman Islands (NGCI) places high priority on making our facility and events accessible for all members of the community.

We provide a variety of services free of charge to accommodate a wide range of needs.

**PLEASE CONTACT US:**

We invite you to contact us should you have suggestions about how we could improve our offerings to help ensure that everyone can appreciate the visual arts of and in the Cayman Islands.

---

## ACCESSIBILITY

---

Accessible parking is available at the front and rear of the building and accessible restrooms are located in the Education Centre.

A courtesy wheelchair and rollator are available upon request at the exhibition hall reception desk.

Visitors requiring alternative equipment or support should contact us on [info@nationalgallery.org.ky](mailto:info@nationalgallery.org.ky) and every effort will be made to assist.

---

## SENSORY FRIENDLY EXPERIENCES

---

Customised sensory friendly tours and experiences are available upon request. Adjustments can include private access or scheduled tour times with lower visitor traffic, low lighting, reduced auditory noise and interactive materials.

Advanced notice is preferred.

---

## SERVICE DOG

---

Registered service dogs are welcome on the NGCI site, galleries and public spaces, but must remain on a leash at all times.

---

## LARGE FORMAT TEXT

---

Large format text labels and information panels are available for each exhibition.

---

## INTERPRETER TOURS

---

Interpreter tours are available upon request. These tours will be led by a member of the NGCI Curatorial team and supported by a local interpreter. Options include; Sign Language (ALS), Spanish and French.
