Emergence

Worksheet for students

What are some of the ways that artists have interpreted the theme of Emergence? _____

Define 'Assemblage art' _____

Find Carl Brown's piano. How does the artists' statement enhance the viewer's emotional reaction to the piece?

Pick one of the photographs in the show that you relate to and explain your attachment? _____

Which is your favourite piece in the show? Why? Describe the piece and refer to the type of work (i.e. Assemblage, conceptual etc)

In the Classroom:

1. Why is an exhibition like Emergence important?
2. Write about another example where art has been used to help the community in a time of crisis.
3. Write your own exhibition review as though you were writing for a newspaper. Think about including information on: Assessing the curatorial objectives of the show; Observations, assessments; critiques of the work; Local Context.
