## Guided School Tours and Worksheets

Ongoing

Schools and community youth groups receive free guided tours of the National Gallery, including optional creative worksheets. Hands-on instructor-led studio sessions are also available at a cost of \$5 per student. Pre-visit lesson plans can be requested by emailing [education@nationalgallery.org.ky](mailto:education@nationalgallery.org.ky), or at [nationalgallery.org.ky/learn/learning/school-teachers/teaching-resources](http://nationalgallery.org.ky/learn/learning/school-teachers/teaching-resources)

## About the Artists:

### David Hartwell and Bill Ferehawk

Bill Ferehawk is a Los Angeles-based artist and filmmaker. His films and art installations have been shown all over the world, including the Whitney Museum, Walker Art Center, National Building Museum, and Rotterdam Architecture Biennale. His work has received grants from the Graham Foundation and the National Endowments for the Arts. He received degrees from University of California, Berkeley, Yale School of Architecture, and is co-founder of Radiant Features in Los Angeles.

David Hartwell is a Los Angeles based photographer, animator, and motion graphics artist. He specialises in the visualisation of technical and historical content for the likes of IBM, Disney, Microsoft, History Channel, Discovery, and PBS. He obtained his BFA from Art Center College of Design (Europe). His photography and artwork have been shown at the Wende Museum, WUHO Gallery, Palm Springs Art Museum, and Neutra VDL Studio and Residences- the former home of famed architect Richard Neutra which David and his wife Sarah managed from 2007 to 2020.
