### Healing Plants

Uh oh! A friend has contacted you saying that they're not feeling well. They list a couple symptoms and ask you to help them find a natural remedy. Which local medicinal plant would you recommend to them? Be sure to draw them a sketch of the plant so they know how to identify it!

Skin rash: \_\_\_\_\_

Cough: \_\_\_\_\_

Achy joints: \_\_\_\_\_

# Plant Identification

What plant is this? Hint: Check out the artwork labels!
